THE ORDINATION OF FATHER GARY DENCH

We have received several kind letters and emails from visitors who came to the celebrations last weekend – all very appreciative of the liturgies and overwhelmed by the hospitality they experienced: the warmth of the welcome, the sumptuous reception, the bright, clean and beautifully decorated church, the neat and well-kept grounds.

It was a real community event, with so many contributing to make it such a success. Thanks to so many who rallied round – providing copious amounts of food, generous financial contributions, donations of food from the School and the Club (which also provided the wine) and a splendid cake (actually three cakes) made by Shirley Hay. Mrs Paton, the Headteacher, kindly opened the School and welcomed the clergy who vested there. The Knights of St Columba took charge of the car parking.

On the day a military campaign was launched – with teams serving the food and drink, clearing tables and washing dishes. It was a mammoth effort by so many – with very special thanks to Linda Withers and Margaret Moffat who undertook the planning, preparation and coordination of the weekend.

“I just wanted to thank everyone again for all of the hard work that went into making last weekend such a success. Many of my friends who were visiting commented on how impressed they were by the Reception that we had after the Ordination Mass, and by the welcome they received. I know that an enormous amount of work went into getting everything prepared. Thank you for the donations of food and wine, and I think we can all agree on how beautiful the cake was! Thank you to the choir for agreeing to move from the 9am to the 11.30am Mass for my First Mass on the Sunday, and for singing such a wonderful motet at communion. It meant a great deal to me and my family that we could celebrate my ordination to the priesthood here at Corpus Christi. On a personal note, I also want thank you all for the support, prayers, cards and gifts - the show of support has all been quite overwhelming!”

Gary
