

## THE LITURGICAL CALENDAR THIS WEEK . . .

Monday is the **Feast of the Chair of Saint Peter** – reminding us that the Bishop of Rome is the successor of St Peter and, as such, presides over the whole Church in love. He is the centre and focus of the unity of the Church, enabling it to be catholic, universal and orthodox – we share the faith and life of the Church of Rome, in communion with each other and God.

### DURING LENT

The traditional 'disciplines' of Lent include prayer, fasting and almsgiving. As we set out on the journey to Easter, we ask ourselves: "What could I do to help deepen my spiritual life?" Giving something up shouldn't mean extra (saved) money in our pockets: why not give an appropriate amount to a charity of your choice, or support SPICMA - our special Lenten Offerings Appeal - the bucket will be at the back of the church throughout Lent. We support this charity throughout the year – this Lent we hope to boost our giving to this very worthwhile cause (we had hoped to do this last year and then churches were closed during the first national lockdown).

*Some other suggestions to help make Lent special:* try to create some time for quiet – for thought, reflection and prayer, for pondering the Word of God (take away the readings sheet to help with this). Come to a weekday Mass or follow it at home via livestreaming (access it from the Home page of the parish website: [www.corpuschristicollierrow.org](http://www.corpuschristicollierrow.org)), visit the church for private prayer (open daily until 12 noon) or take part in the Way of the Cross on Fridays at 7.30 pm.

### CAFOD LENT FASY DAY

This Friday is the traditional day on which we fast, giving the money saved by reducing our food intake to help CAFOD with its work in the developing world.

### KYRIES IN LENT

During Holy Communion on the Sundays throughout Lent we will hear different musical settings of the Kyrie (the 'Lord, have mercy') – this weekend by Nicholas Gombert (c1495 – c1560) from his *Missa Media Vita* for 5 voices. Probably born in French-speaking southern Flanders, he spent much of his life with the chapel choir of Emperor Charles V in Spain, a role which took him all over Europe. He ended his career as canon at the cathedral of Tournai.

### PARISH OFFERINGS

The parish offerings last Sunday amounted to £280.62 (of which £168.00 was gift-aided). Thank you for your continued generosity.

## YEAR OF SAINT JOSEPH

The text below is a further extract from the Apostolic Letter *Patris corde* in which Pope Francis declared this to be a year of special devotion to St Joseph, Patron of the Universal Church:

### A Working Father

An aspect of Saint Joseph that has been emphasized from the time of the first social Encyclical, Pope Leo XIII's *Rerum Novarum*, is his relation to work. Saint Joseph was a carpenter who earned an honest living to provide for his family. From him, Jesus learned the value, the dignity and the joy of what it means to eat bread that is the fruit of one's own labour.

In our own day, when employment has once more become a burning social issue, and unemployment at times reaches record levels even in nations that for decades have enjoyed a certain degree of prosperity, there is a renewed need to appreciate the importance of dignified work, of which Saint Joseph is an exemplary patron.

Work is a means of participating in the work of salvation, an opportunity to hasten the coming of the Kingdom, to develop our talents and abilities, and to put them at the service of society and fraternal communion. It becomes an opportunity for the fulfilment not only of oneself, but also of that primary cell of society which is the family. A family without work is particularly vulnerable to difficulties, tensions, estrangement and even break-up. How can we speak of human dignity without working to ensure that everyone is able to earn a decent living?

Working persons, whatever their job may be, are cooperating with God himself, and in some way become creators of the world around us. The crisis of our time, which is economic, social, cultural and spiritual, can serve as a summons for all of us to rediscover the value, the importance and necessity of work for bringing about a new "normal" from which no one is excluded. Saint Joseph's work reminds us that God himself, in becoming man, did not disdain work. The loss of employment that affects so many of our brothers and sisters, and has increased as a result of the Covid-19 pandemic, should serve as a summons to review our priorities. Let us implore Saint Joseph the Worker to help us find ways to express our firm conviction that no young person, no person at all, no family should be without work!

### CAFOD LENT APPEAL

As our Catholic community adapts to lockdown and worshipping at home, with restrictions on mingling in church, CAFOD's Family Fast Day parish collections will look different this Lent.

The coronavirus pandemic has shown how important it is to have clean, safe water. In remote northern Ethiopia, Abdella walks for ten hours a day along a dried-out riverbed, over rocks and over a mountain to collect water for his family. He says his life is being wasted as he has no time for anything else.

Donations to CAFOD's Lent Appeal will help local experts work alongside communities to deliver better access to water and transform the lives of people like Abdella. Gifts of £10 will buy sturdy water containers so families can store water safely and £40 can bring safe drinking water to a hard-to-reach school.

Donate online at [cafod.org.uk/lent](http://cafod.org.uk/lent) or by using a CAFOD envelope. You can also give via text. Text LENT to 70460 to donate £10.
